ABOUT CAMERON

Cameron Dunbar speaks at the intersection of wealth and wisdom. He has built a \$100M+ advisory practice on trust rather than transactions, trained hundreds of financial advisors, and written two books on the truths we hand our children and somehow forgot to keep for ourselves. His talks leave audiences with language they can use the next morning — with their teams, their clients, and their families.

SIGNATURE TALKS

The 100 Things We Tell Our Kids

The advice we give so freely is the advice we need most. A moving, practical talk on returning a lifetime of borrowed wisdom to its rightful owner.

Lead Like a Parent

The 52 leadership principles you already practice at home — patience under pressure, clear expectations with love, accountability without cruelty.

The Trusted Advisor

Practice disciplines behind a \$100M+ book of business: how elite advisors serve clients, lead teams, and build practices that endure.

The Legacy You're Already Writing

What families keep when the portfolios are settled — stories, voices, and love. Drawn from Cameron's work founding MyEverLife.

Dates are confirmed upon signed agreement. Multi-session, workshop, and advisor-training formats are available — inquire for custom pricing.

BOOKING IS SIMPLE

1.

Inquire

Email Cameron or use the inquiry form at CameronDunbar.com with your event date and audience.

2.

Consult

A pre-event call to tailor the talk to your theme, your people, and your goals.

3.

Confirm

Signed agreement locks the date. Then Cameron takes the stage — or the screen.
